

# PUREAQUAMINS®

CONCENTRATED LIQUID MINERALS - NATURE'S SOLUTION FOR WATER PURIFICATION

## PURIFY YOUR WATER – ENRICH YOUR BODY WITH ESSENTIAL TRACE MINERALS

This unique solution offers a natural way to enrich your body with up to 80 trace minerals plus hydrate your cells.

Trace minerals play various supportive roles in the body's physiological processes. They are involved in functions like supporting enzyme reactions, maintaining pH balance, and facilitating nutrient absorption. Despite their importance, modern diets often lack these vital nutrients.

By adding PureAquaMins® to your water, you're not just purifying; you're reintroducing nature's essential elements into your daily routine. Ideal for both drinking and culinary use, this solution is a convenient way to incorporate trace minerals into your lifestyle while hydrating your cells.

Enjoy the benefits of mineral-rich water with PureAquaMins® - a testament to GreatLife's commitment to natural wellness, enhanced by innovative science.

## HOW TO USE PUREAQUAMINS®

### To Purify and Enrich Drinking Water:

Add 5 drops of PureAquaMins® to 8 oz. of water or 8 drops to 12 oz. of water. You can use PureAquaMins® with tap water, bottled water, spring water, or any kind of water. You may also add like amounts to juices, teas, coffee, smoothies, or other water-based drinks.

### Preparing Food:

When cleaning fruits or vegetables before eating, use PureAquaMins® treated drinking water to soak/wash/rinse your food before using them in your food preparation. This will ensure that they will be as free of contaminants as possible. You can also use the treated drinking water in place of regular water when making soups or other dishes requiring the addition of water.

## KEY INGREDIENTS:

- PureAquaMins is a natural blend of concentrated mineral salt extracted from volcanic formations, containing up to 80 essential and trace minerals.

**INGREDIENTS:** PureAquaMins® is a natural blend of concentrated mineral salts extracted from volcanic formations, containing up to 80 essential and trace minerals.
